Prince of Songkla University

March 5th, 2013

Miss Nguyen Thi Phi
Vietnam

Dear Miss Nguyen Thi Phi

Thank you for your application to our Master Degree Program in Fishery Technology at Prince of Songkla University (PSU). The Program committee has reviewed the document and agreed to accept you into the program plan A2 which starting on 3rd June 2013. The duration of the program is 2 years. If it is possible, please arrive at PSU before 31st May 2013.

For your convenience while studying at PSU, please apply for student visa together with health care service and accident insurance before your arrival at PSU.

If you need further information, please do not hesitate to contact us.

Yours sincerely,

Asst. Prof. Chonlatee Cheewasedtham
Associate Dean of Graduate School, Pattani Campus.
