

Exh.2.18. List of students presenting at workshops

No	Publications	Authors	School year	Journal, Proceeding of conferences /workshop
1	The efficacy of vitamin con stress reduction of striped catfish (<i>Pangasianodon hypophthalmus</i>) fingerling under transport conditions	Do Thi Thanh Huong, N.T. Dat, L.T. Mai , N.Q. Thinh, N.T.K.Ha, P. Kestemont and N.T. Phuong	2008-2012	Proceeding of International Fisheries Symposium 2012
2	Isolation, identification and determination of antibiotic susceptibility of <i>streptococcus iniae</i> in Asian sea bass (<i>Lates calcarifer</i>)	Tran Huu Tinh , Nguyen Bao Trung, Tran Thi Tuyet Hoa, and Tu Thanh Dung	2008-2012	Proceeding of International Fisheries Symposium 2012
3	Identification and pathogenicity of <i>Aeromonas hydrophila</i> on clown knifefish (<i>Chitala chitala</i>) in the Mekong Delta, Vietnam	Nguyen Minh Tri , Tran Thi My Han and Tu Thanh Dung	2008-2012	Proceeding of International Fisheries Symposium 2012
4	Technical-financial comparison of giant freshwater prawn farming systems in the flooding areas of the Mekong Delta	Truong Thanh Lam & Le Xuan Sinh	2008-2012	Proceeding of International Fisheries Symposium 2012
5	Nutrient removal from wastewater of intensive catfish ponds by using floating aquatic plants	Tran Thi Lam Khoa , T.T.B. Gam , N.T. Duy , L.P.Dai , H.T. Giang and V.N. Ut	2008-2012	Proceeding of International Fisheries Symposium 2012
6	Effects of Aqueous Magnesium-Potassium-Phosphorus on Molting Interval, Growth and Survival of White Leg Shrimp <i>Litopenaeus Vannamei</i> , Reared in Low Salinity Water	Tran Thi Be Gam , Vu Ngoc Ut, Truong Quoc Phu, and Huynh Truong Giang	2009-2013	Proceeding of International Fisheries Symposium 2013

No	Publications	Authors	School year	Journal, Proceeding of conferences /workshop
7	Study on Edwardsiellosis in Clown Knifefish (<i>Chitala chitala</i>) in the Mekong Delta, Vietnam	Nguyen Minh Thuat , Tu Thanh Dung, and Tran Thi My Han	2009-2013	Proceeding of International Fisheries Symposium 2013
8	Effects of different flocculated algae on filtration rate, condition index and survival rate of blood cockle <i>anadara granosa</i>	Ngo Thi Thu Thao, Nguyen Thi Thuy Trang and Pham Thi Hong Ai	2010-2014	International fisheries symposium 2014
9	Prevalence and molecular characteristic of streptococcal clinical isolates from red tilapia in Mekong delta, vietnam	Ngo Minh Phuong and Ttran Thi Tuyet Hoa	2010-2014	International fisheries symposium 2014
10	DNA barcoding gene cytochrome C oxidase subunit i of channa species in the Mekong delta, Vietnam	Nguyen Thi Ngoc Tran and Duong Thuy Yen	2010-2014	International fisheries symposium 2014
